

ASIAN CORE PROGRAM LECTURESHIP AWARD

Hidetoshi Tokuyama

PD-14

**Total Synthesis Structurally Complex Alkaloids via Late-Stage Oxidative
Transformations**

This is to certify that you have been selected by the coordinator of Thailand on 4th December, 2023 to receive a Lectureship Award under the New Phase Asian Core Programme On Cutting-Edge Organic Chemistry in Asia. You will be invited to deliver a series of lectures during the one-week visit to Thailand in the next fiscal year.

Somsak Reclinant

Coordinator of Thailand
