

ACP Lectureship Tour to China

Toshio Nishikawa

Graduate School of Bioagricultural Sciences, Nagoya University

It was great honor and pleasure for me to be invited to the three universities of China as ACP lectureship awardee. I really enjoyed to share the time with many professors and students there. I would like to express my sincere thanks to Professors Bo Liu and Ang Li for his very kind hosting me for the ACP-lecture tour in China.

Oct 31 (Mon): arrival at Chendgu via Shanghai from Nagoya

Nov. 1 (Tue): (Sichuan University)

Host: Professor Bo Liu

Discussion with Professors Bo Liu, Xiaoming Feng, Zhipeng Yu, Da-Gang Yu

Seminar “Syntheses of biologically active natural products by means of cascade reactions”

Dinner with Professors Bo Liu, Da-Gang Yu, et al.

Nov. 2 (Wed): Sightseeing accompanying by two students (Liu and Meng) of Prof. Bo Liu.

Visit to Jinsha Site Museum and Chengdu Wuhou Shrine

Move to Kunming

Nov. 3 (Thu):Yunnan University

Host: Prof. Zhihui Shao

Discussion with Professors Zhihui Shao and Hongbin Zhang

Seminar “Syntheses of biologically active natural products by means of cascade reactions”

Lunch with Professors Zhihui Shao and Hongbin Zhan.

Move to Shanghai

Nov. 4 (Fri): SIOC

Host: Prof. Ang Li
