

Report of Lectureship Tour in Hong Kong, June 3-8, 2018

Yujiro Hayashi

Department of Chemistry, Faculty of Science, Tohoku University

yhayashi@m.tohoku.ac.jp

June 3: arrive at Hong Kong

June 4: Chinese University of Hong Kong (香港中文大學)

General Lecture: Organocatalyst in the Total Synthesis

Host: Prof. Y.-Y. Yeung

June 5: Hong Kong University (香港大學)

Lecture: Pot Economy and Time Economy in the Synthesis of Biologically Active Molecules

Host: Prof. Pauline Chiu

June 6: Hong Kong University of Science and Technology (香港科技大學)

Lecture: Pot Economy and Time Economy in the Synthesis of Biologically Active Molecules

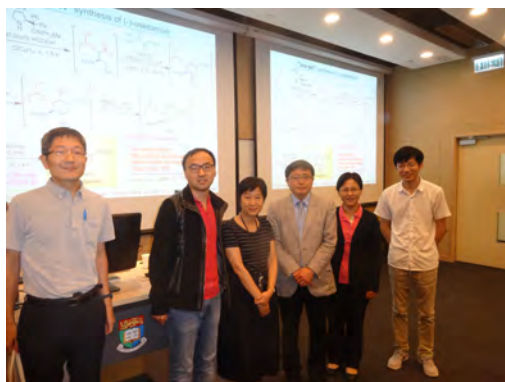

Host: Prof. Jianwei Sun and Prof. Wei-Min Dai

June 7: Chinese University of Hong Kong (香港中文大學)

Scientific Lecture: Pot Economy in the Synthesis of Prostaglandin and Estradiol Methyl Ether

Host: Prof. Y.-Y. Yeung

June 8: return to Sendai

Hong Kong University (香港大學)

Hong Kong University of Science and Technology (香港科技大學)

Chinese University of Hong Kong (香港中文大學)
