

Report of ACP Lectureship Tour in China (from 29th Oct to 3rd Nov, 2018)

Prof. Takahiro Suzuki
Department of Chemistry, Faculty of Science
Hokkaido University
e-mail: takahiro-suzuki@sci.hokudai.ac.jp

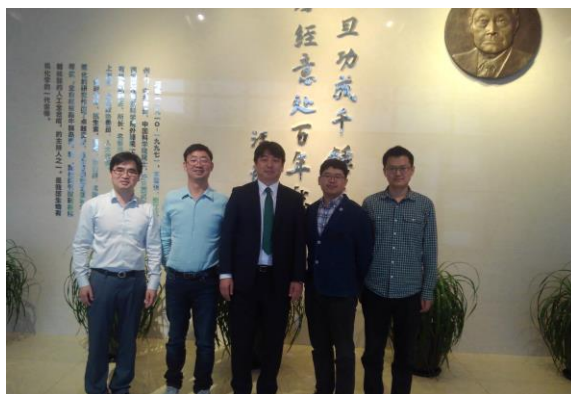

Lecture Title

“Synthetic Studies of Structurally Unique Terpenoids Based on Cycloaddition Reaction”

Schedule

29th October Arrival at Shanghai

30th October Visit and Lecture at Shanghai Institute of Organic Chemistry (Host: Prof Ran Hong)
Discussion with Profs Ran Hong, Jing Jian, Liang Yin, and Jinghan Gui

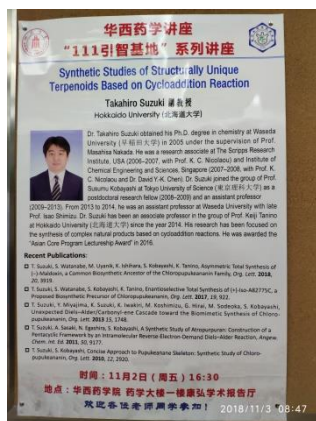

Fright to Chengdu

31st October Visit and Lecture at Department of Chemistry, Sichuan University (Host: Prof. Bo Liu)
Discussion with Profs Bo Liu and Shaomin Fu

1st November Local Tour (Chengdu research base of giant panda breeding, Wohou shrine, and Chengdu museum)

2nd November Visit and Lecture at School of Pharmaceutical, Sichuan University (Host: Prof. Yong Qin)
Discussion with Prof. Yong Qin, Zhenlei Song, Lin Dong, and Zhong Lian

3rd November Return to Japan
